

First Impressions Dental

Financial Policy

We are committed to providing you with the best possible care. If you have dental insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals we need your assistance in understanding our payment policy

Payment for services is due on the date services are rendered unless payment arrangements have been approved in advance by our office manager. We accept cash, check, or credit card. We also have monthly payment plan options available (please ask for more information).

Returned checks and balances older than 90 days may be subject to additional collection procedures and fees. Charges may also be incurred for broken appointments, and those cancelled with less than a 48 hour notice (see our cancellation policy for more information).

We will gladly discuss your proposed treatment and answer any questions relative to your insurance.

We must emphasize that, as dental care providers, our relationship is with you, not your insurance company and therefore you are responsible for what your insurance does not cover. We do try to estimate what your portion will be to the best of our knowledge. However, with so many insurance companies out there and their guidelines and accepted fees changing it is sometimes difficult. Thank you so much for your understanding.
